QUIPS and QUOTATIONS !!!

What better way to immortalize the fabulous year of 1964 than with the words and proverbs of history's famous figures.

As you thumb through these pages we hope that they may bring back the sights, sounds, and delightful memories of the 1963-64 school year.

DEDICATION

Since this is the year of Broken Arrow's first All School Production we feel that it would be only appropriate to commemorate this outstanding event by hereby dedicating the 1964 Arrow Life to the B.A. "Pow-Wow" and its glorious future.

Membership in the National Honor Society is based upon Scholarship, Service, Leadership and Character. To be eligible for membership, a student must maintain at least a "B" semester grade in all subjects. A list of all qualifying students is passed to all classroom teachers, who rate them on Service. Leadership, and Character. A scale is then prepared showing from the highest to the lowest according to the teachers' rating. During the Sophomore year, 4% of a class are inducted; another 4% during the Junior year; another 4% the Senior year; thus 12% of any one class may be members by the end of the Senior year. Any member who fails to maintain the "B" semester grade or falls down on any one of the other virtues mentioned above is automatically dropped from membership. It is indeed an honor to be a member of the National Honor Society.

TEACHING CAREER DAY

One of the most beneficial organizations in Broken Arrow High to its members is the Future Teachers of America. Each year the F.T.A. sponsors a "Teaching Career Day." On this day, Future Teacher members take over the classrooms of the regular teachers in the junior high and the elementary schools for the purpose of actual teaching experience as an aid to career planning. This program has been in effect for the past five years and has been termed successful by both the participants and the administration. This year over 80 Future Teachers took part in this fine program.

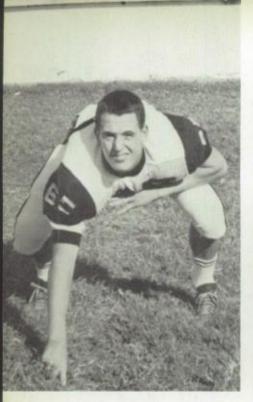

"It is the contest that delights us, not the victory."

Remember, this is touch-football!!

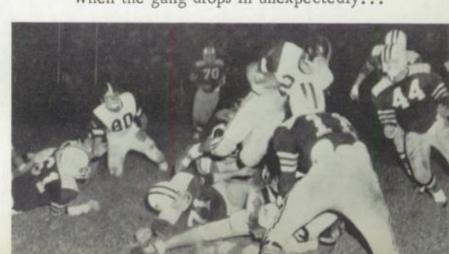

Don't move, there's a bug on your back?

What do you mean I'm going the wrong way?

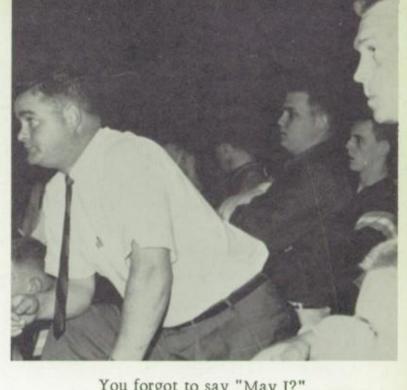

When the gang drops in unexpectedly...

Aren't you whispering sweet nothings in the wrong ear?

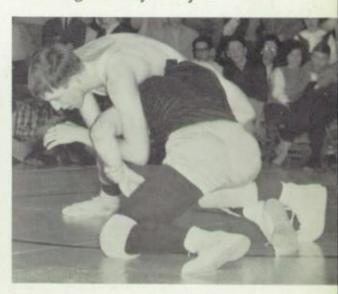

You forgot to say "May I?"

Anyone for a minuet?

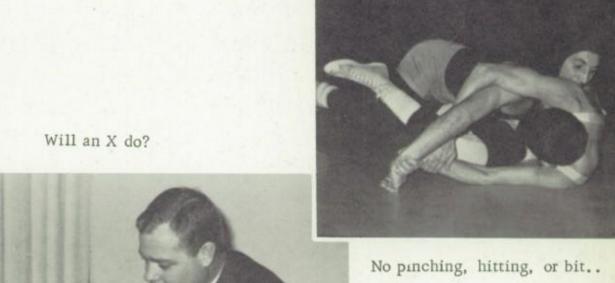

You say your father is a chiropractor?

It's only a game, don't lose your head.

Don't panic, I'llsave you!!

Hark, Hark The Lark!

All right, get off the chair.

It's a bird! It's a plane!

Did you get the number of that truck?

Oops! I dropped my contacts!

It's my ball so we play by my rules.

Spare Time

What's so interesting boys??

Every one was out to cheer for our boys.
